

Club News

As developed at the Board of Directors' Strategic Planning meeting on 9/3/2009:

2009-2010 Goals

- Increase membership
- Retention of current members
- More robust service program
- Fund raising

Contact President Christine to make your commitment to these goals.

Our two communities were recently awarded a **DNR Stewardship Fund grant** for improvements along the Milwaukee River. The presidents of both Rotary Clubs wrote letters of support.

Cited improvements may enhance the areas around the Rotary Riverwalk project and could include boardwalks, canoe tie-ups and shoreline stabilization.

Fall Fundraising—Last Chance for Tickets

The Fall into Cash \$12,500 Giveaway supports our club charities. Tickets cost \$100 and entitle the bearer to a chance at the grand prize of \$10,000 and admittance for 2 at the Oct. 22 raffle & club celebration at the Milwaukee Ale House in Grafton.

Please help with the ticket sales! The deadline is NOW. Get your information and stubs to Sigrid.

We believe in the Four Way Test!

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

Service Above Self

Doug Hansen is our 2009 honorary Paul Harris Award winner. "The honorary PH is the most significant award I've received in my lifetime. It's the ultimate."

Doug is no stranger to Service above Self. He grew up among the volunteerism ethic of his parents. His son was in the Peace Corp in Guatemala. He firmly believes in the concept of giving back what you've been given.

Doug is best known for his efforts with what we fondly call "the Guatemala project". That annual project has grown over the past six years to include financial and volunteer help from a dozen clubs in our district.

Efforts range from medical diagnosis, dental assistance, fitting for eyeglasses, and most recently, literacy efforts. This medical mis-

sion is centered in Oliveros in Guatemala.

Doug's thoughts about our club?

- Offer more than a lunch
- Open up avenues of service so every club member can make a difference
- Make a commitment.

"As a community, we cannot run away. It is not just about writing checks, but about rolling up our sleeves. ... The health of a club is what it is doing beyond itself."

Ask Doug for five words on what Rotary means to him?

- Service
- Fellowship
- International
- Sharing
- Compassion

"We all have a responsibility to lift somebody up. We have to start somewhere and make a difference."

From our Guatemala Host

"During the past five years, the Government Health Clinic reports improvement in infant health and teachers see healthier and fewer absent kids with more energy to perform better. Myself I am very proud to be one of the founders of this project. This is something that will live in the hearts of villagers for the rest of their lives. They will always remember the wonderful human beings that had used their time and resources to help them improve and enrich their lives through education and health programs. May God bless all for this kind work!"

Fellow Rotarian Enrique Gandara hosts the Guatemala Mission at his ranch in Oliveros. Enrique now lives in Madison, serves each year as facilitator for the mission. Enrique was the Rotary District Governor for Guatemala and Belize ten years ago.

Rotary International is the world's first service club, with more than 1.2 million business, professional and community leaders in 33,000 clubs worldwide. Rotarians work locally, regionally and internationally to combat hunger, improve health, provide education and job training, promote peace and eradicate polio under the motto Service Above Self.

Rotarians provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world.

Rotary Clubs are nonpolitical, nonreligious and open to all cultures, races and creeds. As signified by the motto Service Above Self, Rotary's main objective is service — in the community, in the workplace, and throughout the world.
