

LOBSTERFEST

F u n d r a i s e r
14th Annual
Saturday, Sept 24, 2011

Presented by M-T Sunrise | T-M Noon | Milwaukee North Shore Rotary Clubs

IMAGINE! ... compounding the value of your corporate advertizing and/or philanthropic dollars and at the same time, help meet needs in your community. *You can do it now* as a *Sponsor* of Rotary's Annual Lobster Fest Event.

In today's busy corporate environment, caring businesses search for cost-effective ways to use limited hard-earned dollars to help meet the needs of our community and the world. One extraordinary way is through supporting the volunteer efforts of local Rotary Clubs to implement important local community projects, support area students with scholarships, provide food or services to people in need, and much, much more. For example, through Rotary, you can help eradicate polio from the world ... we're almost there! Rotary has helped vaccinate 2.5 billion children against polio and reduced number of polio cases by more than 99 percent.

That's the kind of impact your Sponsorship can have on service to others.

CONSIDER BEING A SPONSOR of Rotary's Annual Lobster Fest
