

What would it take to Change the World?

Rotary International is the world's first service club organization, with more than 1.2 million members in 33,790 clubs worldwide. Rotary club members are volunteers who work locally, regionally and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service above Self.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business and community life;
4. The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Are you ready to be a Rotarian?

Networking

Rotary allows club members to enlarge their circle of business and professional acquaintances. The **Thiensville-Mequon Rotary Club** represents a cross-section of business owners, executives, managers, government leaders and professionals – people who make decisions and influence policy. Team-building, fundraising, public speaking, organization and communication are just some of the leadership skills we seek and teach. We meet weekly on Tuesday at 12:00 noon. Invest an hour of your time to make new contacts and hear our speakers' timely information.

Service

Club members have opportunities for humanitarian service, both locally and internationally. The Thiensville-Mequon Rotary Club originated our District's annual Guatemala Service program, bringing medical help, literacy tools and humanitarian contacts to our fellow citizens. We're movers and shakers behind the local Riverwalk project, made Rotary Park a reality, support area food banks and recognize area high school vocational and scholastic achievement. We experience the fulfillment that comes from giving back to our community which stretches around our world.

Ethics

Encouraging high ethical standards and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. Of the things we think or say or do, Rotarians abide by the Four-Way Test:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
