TUESDAY, SEPTEMBER 20, 1983 - Rotary Pavilion

The rains came but everyone found shelter with room to spare in the pavilion. Head chef, "Ready" Ray Reuter, assisted by Huiras, Boers, and Kachel, came up with ham, potato salad and muskmelon. There seemed to be enough for all, and the hot ham was just the thing for a rainy day.

QWIK QWIZ:

Three men registered at a hotel and took a room for \$30. Since the room was worth only \$25, the clerk's conscience began to bother him, so he called the bellhop and gave him \$5 to return to the three guests. The bellhop, however, had only half a conscience, and returned only \$3 --- pocketing \$2 for himself. Since the guests paid \$27 for the room (with the \$3 the bellhop returned from their \$30), and since the bellhop kept \$2 (making a total now of \$29), what happened to the extra dollar?
