## **TUESDAY. JANUARY 20. 1987 - Stemmeler's White Coach Inn**

### **ANNOUNCEMENTS:**

1. Milwaukee Bucks Rotary Night is Tuesday, Feb. 24. Group ticket deals are available at \$9.00 this is the second annual Rotary Night.
2. Bob Jacobs plans to bring an official from our District Boy Scout Organization. He will describe the need for funds and tell us where our money goes.
3. Celebrity Bowl for Big Brothers/Big Sisters will be held at Hadler's on January 31, at 10:00 A. M. We have one team entered, but the other members will be sponsors for the bowlers. (Editor's note: Our club used to have two or three teams for such events and tournaments. However, our real hot-shot bowlers are away for the winter. "Cannon-Ball" Ross, "Slurve-Ball" Meer, and "Back-Up" Riemer are all down in Florida playing golf. In addition, Elbe, Witte, and Kachel (like "Silent Cal") have declared that they will not be candidates for the team. Others have moved into more genteel activities that leaves us one team.)

### **PROGRAM:**

The speaker was Tom Gullick, one of our own club members, who brought us up-to-date on 'Trends in Health Care'. Tom is Director of Personnel and Resources at the Milwaukee Medical Clinic and lives in Mequon. His first love seems to be teaching, which he did for four years at Mauston; and when he has acquired enough wealth, he hopes to get back into teaching. Tom described what is happening in health care these days, spending most of the time on HMO's, which are managed pre-paid health care plans that are replacing the better known fee-for-service method. He also shared some of his personal philosophy with us. Questions followed, but time ran out. Everyone enjoyed his presentation.
