

## THIENSVILLE - MEQUON

# ROTARIAN

TUESDAY, July 11, 1989 - Boder's Back Yard

### COMMENTS RE: CHANGING OF THE GUARD:

1. In visiting with T-M Rotary (at the party) about plans for the 89-90 Rotary year, Hertz expressed his interest in helping the membership to work closely together and to stabilize the club as it has come through a period of many changes. He did not feel that there would be many new things that he would be doing, but we would attempt to make as much progress as possible on our park commitment for \$80,000. With the \$20,000 pledge from the T-M Rotary Foundation, Hertz felt it was realistic to reach the half-way point by July 1, 1990, toward the \$80,000 goal.
2. Aaron (past president) reiterated the recipients of various awards, such as: Honorary Paul Harris Fellow (Ned Kellner); Rotarian of the Year (Stan Smith); Charles Walker and the Park Committee; Ted Elbe for his work on the Polio Plus project; Attendance Awards (Jacobs-30 years perfect attendance, Campbell-29 years, Hiltgen-18 years); etc.

ANNOUNCEMENTS, NEWS AND NOTES:

1. Two new members were formally introduced to the club and indoctrinated into T-M Rotary; namely, Bob Briese and Ron Glick. President Karl Hertz gave them a quick overview of the history of Rotary, principles of Rotary, international scope of Rotary, community involvement of T-M Rotary, Rotary as a service organization, and the expectations attached to membership in Rotary.
2. Past-President, Aaron, completed his awards for his term with: (1) the presentation of a certificate of achievement and appreciation to Ralph Huiras for his outstanding efforts to make the Rotary Park project a success; and (2) the announcement that Ralph Huiras was being honored by the club by being made an Honorary Paul Harris Fellow, thus joining a select group of Rotarians.
3. Discussion was had about our outdoor meetings, why we were not at the park, etc. It was pointed out by our president that the park presented two problems: (1) the problem of storage of our equipment, and (2) the problem of a village ordinance prohibiting liquor in the park.
4. After considerable discussion it was agreed, without dissent, that it was no sweat for us to have meetings in the park and comply with the no liquor rule. Members did not see the liquor ban as a problem. A motion was passed to appoint a committee to study the outdoor meeting matter and report on August 1. Committee members are: Berg, Gibb, Egelhoff, and Bolz.
5. Head chef, Pete Hiltgen, assisted by Sheridan, Witte, Casey, Naggs, Elbe, Winnemann, Egelhoff, Boders, etc., gave us a meal of bratwurst, beans, fruit plate, vegetable plate, etc. They were commended for their good job.
