

THIENSVILLE - MEQUON

ROTARIAN

TUESDAY, August 1, 1989 - Thiensville Village Park

ANNOUNCEMENTS, NEWS AND NOTES:

1. As noted above, the meeting was held in the Rotary Pavilion in the Thiensville Park. This de facto meeting location should supercede the action taken at the July 25 meeting, at which time a committee consisting of Berg, Gibb, Egelhoff, and Bolz was appointed to look into the proposition of meeting at our Rotary shelter in the park. Perhaps the committee had their meeting and made a recommendation. Or perhaps today's cooking committee didn't want to face up to the logistical problem of moving all the tables and equipment back to Boder's for one meeting. Anyway, it was a nice setting, easier to organize things, and just better all around (or so it seemed to your editor). Unless your committee rules otherwise, let us assume we will continue to meet in the park; and that the Village ordinance concerning no liquor in the park will be adhered to.
2. Karl Hertz, T-M Rotary President, offered a few words about the July 30 Fund Raiser. He mentioned the inclement weather, the Cedarburg doings, the German Fest downtown as possible detriments to our complete success. Ticket money is in from 48 Rotarians so far, and the rest are urged to get their money in quickly. Karl emphasized that the " committee wants the money, not tickets, turned in so the bottom line can be ascertained as soon as possible. Loucks and Hansen are our top ticket sellers so far. Tom Holton, from Cedarburg, won the trip to Paris.
3. Keep in mind - The District 627 Informational Conference is October 7, 1989. We are the hosts. Hopes are that plans will take final shape this week. There may be as many as 200 people at the conference.
4. Rotary will be host to its first international Peace Forum in Canada this year. Our district will have a preliminary conference at Racine. If anyone is interested, see Karl Hertz.
5. Tri-Club Golf Outing - It is Cedarburg's turn to be host this year. We will get more information about date, plans, etc.
6. Don Sigmund belongs to an RV club. He calls our attention to their fall rally at the Amana Colonies, in Iowa, on September 7, 8, and 9. They will camp at Sleepy Hollow Campground, near Oxford, Iowa. There will be trips to the seven Amana villages, Herbert Hoover birthplace, etc. For information, see Don.
7. The cooking crew was introduced (with Freudian slips) by head chef, Bill Ross, who was assisted by Hansen, Hinrichs, Hillman and Custer. They gave us a dandy menu of steak sandwiches, potato salad, fruit salad and coffee which was enjoyed by all.
8. Spouses will be invited to our August 22nd meeting, with Gibb as the head honcho (he and Fromm are trading).

VISITING ROTARIANS: Ralph Wrezic (Miles. NS); Bud Beverung, Lowell Levy, and Don Levy (Cedarburg/Grafton).

Dick met with the Board of Directors at 10:00 a.m., with Committee Chairmen at 11:00 a.m., and with the entire club at the regular 12:15 p.m. meeting. In his luncheon address he talked about R.I. President Hugh Archer's theme for the year, "Enjoy Rotary". To enjoy Rotary, members must become involved through meeting attendance, attending District Assemblies, attending information seminars, going to District Conference, working on committees, etc. Dick mentioned upcoming events in District 627. In stressing the need to make the community a better place to live, he complimented our club on our Rotary Park project, our various student awards and recognitions, etc. Dick mentioned our two new "iron curtain" clubs (Budapest and Warsaw). He pointed out that the avenue of vocational service needs more attention in all clubs. Employment for youth is a worthy project for Rotarians. Dick said that a major concern in Rotary is the impact that Polio Plus giving has had on other facets of Rotary Foundation activity. As Polio Plus went way over the top, other areas of Rotary Foundation support suffered. There is a need for more unrestricted giving to the Foundation to support scholarships, etc. Governor Olson also suggested that there might be room in our community for another Rotary club, such as a breakfast club.
